Introduction

Nirmal International School founded by Ravi Shiksan samiti Nipaniya Goyal, with the vision of high quality experiential learning which supports the child to develop his/her overall social, emotional, moral and psychological needs through equal opportunities of education of both Boys & Girls and value based teaching. Thus enhancing their skills and capabilities With well Qualified Trained Teachers. We also believe that education is a fun activity and a life long process.

Philosophy

1. The school follows the principle of integrated education.
2. Students are provided opportunities to appreciate relationships between inside and outside class room.
3. Belief in holistic approach.
4. Based on constructive and creative enhancements.
5. Amalgamation of technology and culture.

Our Commitment:

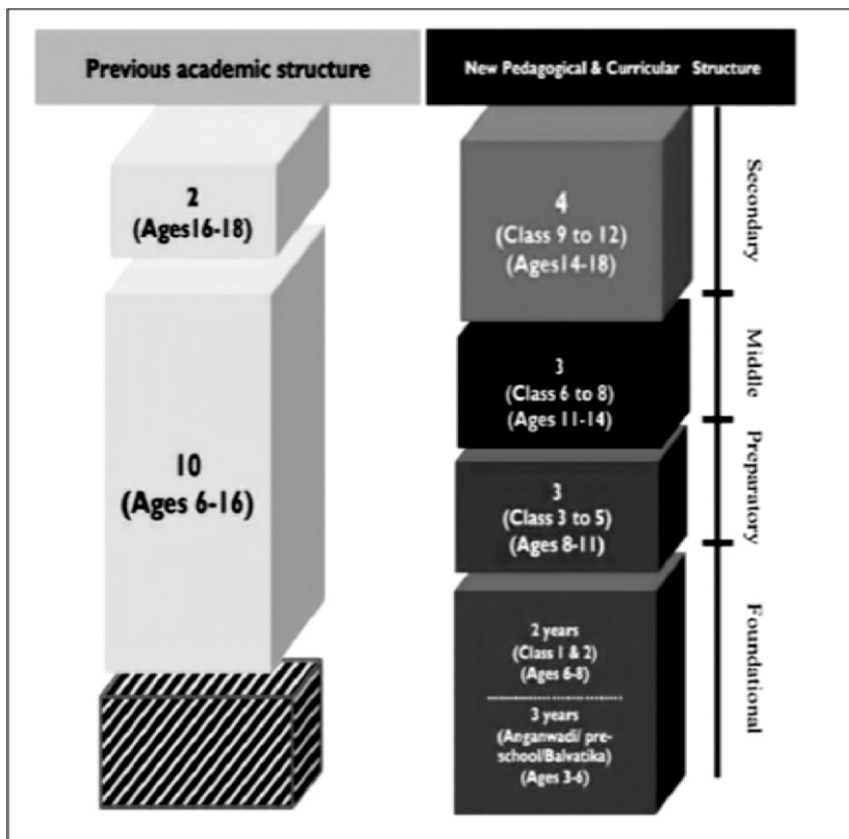

- ▶▶ To provide an outstanding education for every child in a pollution free environment.
- ▶▶ To provide a happy, secure, welcoming and stimulating environment where every child is equally valued.
- ▶▶ To work as a team to plan a challenging, broad-based and well-structured education, encompassing all curriculum aspects.
- ▶▶ To value and encourage the support of parents and guardians, thereby creating a positive partnership between school and home, enabling children to give their best.
- ▶▶ To develop an exciting and motivating approach to learning that encourages the development of personal responsibility which enables every child to succeed.
- ▶▶ To develop and foster child's moral and social values, alongside a sense of self-worth.
- ▶▶ To promote and encourage healthy lifestyles for all members of our school community.
- ▶▶ To ensure that everybody is provided with opportunities for professional development and their achievements are celebrated.

Pre-Primary, Primary and Senior Section

1. We aim at physical, social, emotional, moral and cognitive development of children.
2. Focus on behaviouristic growth of a child.
3. Small classes and less child-teacher ratio.
4. Liberty of expression with encouragement, interest and proper guidance.
5. Monitoring their readiness for new learning challenges.
6. "Do it yourself" method of teaching is encouraged.
